Dante Vazquez

Software Developer

+1 (727)-313-1062 | dantevazquezrivera@gmail.com | San Clemente, CA | https://www.linkedin.com/in/dante-vazquez | https://github.com/dantevazquez

TECHNICAL SKILLS

Programming Languages: *Javascript, C++, C, C#, Java, Python, HTML, CSS, SQL (Postgresql)*
Web Development: *React, Express, Prisma*
Game Development: *Unity, Raylib*
Other Tools: *Git, Github, Vscode, IntelliJ*

TECHNICAL PROJECTS

Rotten Potatoes (Date) (Link to github repo)(role)
- Developed a movie review website utilizing React for the front end, Express for the backend, and PostgreSQL for database management.

Yahtzee
- Designed and implemented a desktop game for Windows and Mac platforms, enabling up to four players to enjoy Yahtzee simultaneously. Developed using C++ and the Raylib game development library.

Pokemon Deck Builder
- Created an interactive website enabling users to construct Pokémon decks and share them with the community. Utilized React for the frontend, Express for the backend, and PostgreSQL for database management.

EXPERIENCE

Barista| *Starbucks* | San Clemente, CA   Oct/2023 - Present
- Quickly memorized over 100 recipes, ensuring consistent and efficient preparation of drinks for many customer preferences.
- Multitasked between drink-making, register operation and preparation duties in a high stress environment.
- Provided attentive customer service, addressing inquiries, resolving issues and creating a welcoming environment.

Surf Instructor| *Green Wave Surf School* | San Clemente, CA   Sep/2019 - June/2023
- Delivered surf lessons to charter school students, teaching the fundamentals of surfing and fostering improvement.
- Conducted ocean awareness sessions, educating students on wave dynamics, tides, and environmental conservation.

Facilities Engineer | *United States Coast Guard* | St. Petersburg, FL   Apr/2015 - Apr/2019
- Performed routine preventive maintenance to ensure that machines continued to run smoothly, building systems operated efficiently, and the physical condition of buildings did not deteriorate.
- Assisted in several renovation projects including multiple outdoor patio areas, a pool house recreation area and several restrooms in the base facilities.
- Single handedly maintained the daily pool chemical balance and cleanliness for a 135,000 gallon pool ensuring it was operational year round for Coast Guard training.
