TECHNICAL SKILLS
Programming Languages: *Javascript, C++, C, C#, Java, Python, HTML, CSS, SQL (Postgresql)*
Web Development: *React, Express, Prisma*
Game Development: *Unity, Raylib*
Other Tools: *Git, Github, Vscode, IntelliJ*

TECHNICAL PROJECTS
Personal Website
- Developed a personal portfolio website featuring a mini game using React. Here you can find a full list of my technical projects

Rotten Potatoes
- Developed a movie review website to practice full stack development. Used React for the front-end and Postgresql and Express for the back-end

Yahtzee
- Designed and implemented a desktop game for Windows and Mac platforms, enabling up to four players to enjoy Yahtzee simultaneously. Developed using C++ and the Raylib game development library.

EXPERIENCE
Barista| *Starbucks* | San Clemente, CA *(Oct/2023 - Present)*
- Quickly memorized over 100 recipes, ensuring consistent and efficient preparation of drinks for many customer preferences.
- Multitasked between drink-making, register operation and preparation duties in a high stress environment.
- Provided attentive customer service, addressing inquiries, resolving issues and creating a welcoming environment.

Surf Instructor| *Green Wave Surf School* | San Clemente, CA *(Sep/2019 - June/2023)*
- Delivered surf lessons to charter school students, teaching the fundamentals of surfing and fostering improvement.
- Conducted ocean awareness sessions, educating students on wave dynamics, tides, and environmental conservation.

Facilities Engineer | *United States Coast Guard* | St. Petersburg, FL *(Apr/2015 - Apr/2019)*
- Performed routine preventive maintenance to ensure that machines continued to run smoothly, building systems operated efficiently, and the physical condition of buildings did not deteriorate.
- Assisted in several renovation projects including multiple outdoor patio areas, a pool house recreation area and several restrooms in the base facilities.
- Single handedly maintained the daily pool chemical balance and cleanliness for a 135,000 gallon pool ensuring it was operational year round for Coast Guard training.
