Dante Vazquez

Software Developer

📞 (727)-313-1062 | ✉️dantevazquezrivera@gmail.com | 🌐dantevazquez.com | 🐙dantevazquez

TECHNICAL SKILLS

Programming Languages: *Javascript, C++, C, C#, Java, Python, HTML, CSS, SQL (Postgresql)*
Web Development: *React, Express, Prisma*
Game Development: *Unity, Raylib*
Other Tools: *Git, Github, Vscode, IntelliJ, Linux CLI*

TECHNICAL PROJECTS

Personal Website
- Developed a personal portfolio website featuring a mini game using React. Here you can find a full list of my technical projects

Pocket Surf
- Co-Developed a mobile surfing game for IOS and Android using the game engine Unity in C#

Restaurant Online Ordering
- Developed an online restaurant ordering app that allows a restaurant owner to set up a menu and receive orders and payments. App also includes an in-restaurant app that allows a restaurant to receive and queue orders.

EXPERIENCE

Field Service Technician| *Google via Astreya* | Irvine, CA *(July/2024 - Present)*
- Provide IT support to employees, troubleshooting and resolving hardware, software, and connectivity issues.
- Configure and issue Mac, gWindows, and gLinux devices for Google employees, ensuring seamless integration into the work environment.
- Develop automation scripts to assist with IT Support and device management
- Maintain an accurate inventory of company assets including computers, phones, and monitors, utilizing asset management tools to track devices.
- Administer device returns and securely wipe all data, adhering to company policies.

Surf Instructor| *Green Wave Surf School* | San Clemente, CA *(Sep/2019 - Aug/2023)*
- Delivered surf lessons to charter school students, teaching the fundamentals of surfing and fostering improvement.
- Conducted ocean awareness sessions, educating students on wave dynamics, tides, and environmental conservation.

Facilities Engineer | *United States Coast Guard* | St. Petersburg, FL (*Apr/2015 - Apr/2019)*
- Performed routine preventive maintenance to ensure that machines continued to run smoothly, building systems operated efficiently, and the physical condition of buildings did not deteriorate.
- Assisted in several renovation projects including multiple outdoor patio areas, a pool house recreation area and several restrooms in the base facilities.
- Single handedly maintained the daily pool chemical balance and cleanliness for a 135,000 gallon pool ensuring it was operational year round for Coast Guard training.
